

Pensioner payroll

Administration Services

Our pensioner payroll solutions ensure right pension, right person, right time – it's that simple...

Why use RPMI?

We have comprehensive procedures and highly automated systems in place for our payroll services.

We are passionate about member care, ensuring their needs are consistently met by working to the pay cycle required.

Our professional teams are highly qualified, holding specific pensions qualifications, such as DPA, to assist them in their roles.

Our teams work together and all of our payroll services are carried out in-house. This enables us to fully understand and personally manage the needs of each and every client.

Benefits

Client data integrity and security is our priority and assured through a rolling programme of data matching and pension existence checking. We also participate in the National Fraud Initiative to reduce potential overpayments.

Next steps

In the first instance email or telephone us with your requirements using the contact details below. We will then put you in touch with the best person to help meet your needs.
