Administration Services

RPMI's accounting services work perfectly with our range of administration services to provide pension scheme accounts.

## Why use RPMI?

We've got a team of fully qualified, dedicated accountants with extensive knowledge and experience of all types of pension scheme, working together to produce professional accounts for every client.

The team is also active in the Pension Research Accountants Group (PRAG), an independent research and discussion group for the development and exchange of ideas in the pensions field.

Working with clients and primary record keepers, each solution we develop is tailored to meet their needs and individual scheme requirements. RPMI provides a full suite of accounting services, whether you need a single set of audited trustee report and accounts or complete care of your tax payments and reports.

## Benefits

We ensure you meet all accounting obligations, providing the correct information for corporate accounts and FRS17 documentation – so you can concentrate on your scheme.

Our team will take responsibility for your accounting information ensuring accounting standards are adhered to, along with all relevant regulatory and legislative requirements, so that you can rest easy that everything is well taken care of.

## Next steps

In the first instance email or telephone us with your requirements using the contact details below. We will then put you in touch with the best person to help meet your needs.
