Administration Services

Pension scheme administration is at the heart of what we do and has been our passion for almost 50 years.

Why use RPMI?

Our administrators are passionate about their roles and truly believe in going the extra mile for members, providing consistently high levels of service and responding quickly to client needs.

We are proud to have some of the most qualified pension administration teams in the industry with a large number of individuals professionally qualified with DPA, PMI and NVQs.

Members of our teams also take an active role in the pensions industry holding positions within some of the leading industry bodies. This helps them maintain their knowledge levels to remain at the forefront of the sector and helps RPMI raise standards across the industry.

Benefits

We provide you with the confidence and security that your scheme members are being well cared for, enabling you to focus on your main business activity. Our state-of-the-art systems ensure highly accurate workflows and real time information for members.

We also provide members with 24/7 access to their data, enabling them to access their information at a time that suits them.

Next steps

In the first instance email or telephone us with your requirements using the contact details below. We will then put you in touch with the best person to help meet your needs.
